The following are marriages I have extracted in the Pomquet Parish Records. Some of the records were hard to read so if you see a question mark, note that either I could not understand the writing or there were no names listed. At the end of the marriages I shall add some names I have taken from the Pomquet cemetery and also some sent to me by Barbe Venedam Pumyea . (Thank you Barbe)

ABBREVIATIONS

s/o=son of (fils de)

d/o= daughter of (fille de)
