## 1909 Census of St. Anselme Parish

This is a transcription of the January, 1909 census of the Roman Catholic parish of Saint-Anselme, in Saint Anselme, N.B., taken from a copy of the booklet from 1909, a photocopy of which is in the transcriber's possession.

Each entry contains the names of the husband and wife in the household, followed by a list of the children and their ages. Wives are listed with their maiden names. The original booklet is in sequence by district; this transcription has been placed in alphabetic order, and the name of the district the family lived in listed to the right.
